

MEETINGS

LICHTBLICK
HOTEL

Your hotel in Alling

Hotel Lichtblick, newly built in 2012, is located in the beautiful Free State of Bavaria, between several lakes and the Alps. Let us invite you to a calm, rural area at the fringes of the Alling industrial park and yet only 22 kilometres from Munich.

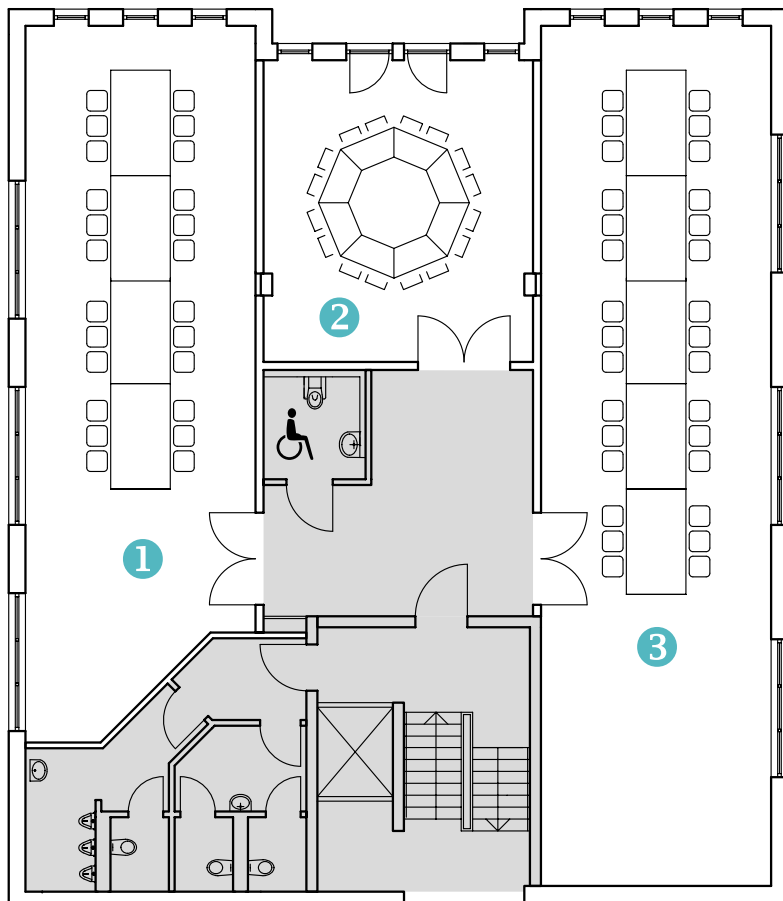

Discover a place to be comfortable in, no matter if you come as a business traveller, holiday guest or for a long-term stay. The name of Hotel Lichtblick was chosen not least because of its special build that lets daylight flood through the rooms.

As a family-managed company, we offer 22 modern double rooms at the latest technical state of the art, while also being fully accessible. Not only our rooms, but the entire hotel has been built according to the current barrier-free provisions, and are therefore perfect for wheelchair users. Contact our service team if you have any wishes beyond this.

The side building has three seminar rooms furnished in high quality. They are ideal for trainings, workshops and events. Just contact us. We will put together a customised offer for you with drinks, catering, buffet or a menu in our restaurant.

The separate restaurant is open for lunch and dinner from Monday through Friday. We offer individual opening hours for events as well on request.

Meeting rooms

Successful work and relaxed celebration require a pleasant atmosphere. We offer bright, barrier-free meeting rooms for your business or private event.

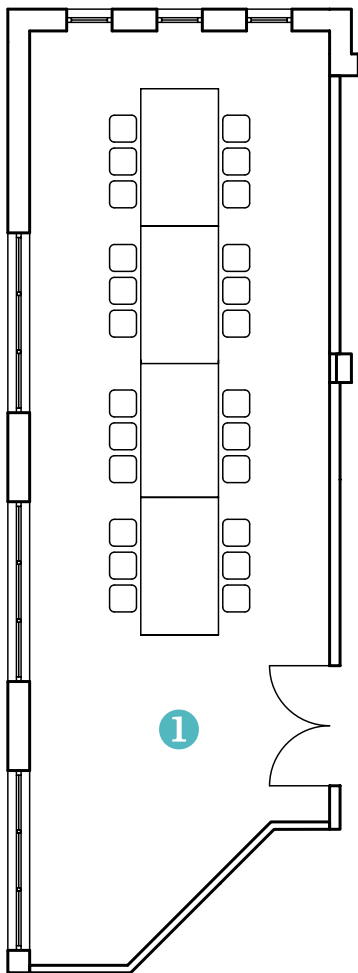

Seminars, meetings, presentations, trainings, workshops or anniversaries – book one of our two large seminar rooms at about 71 sqm or 92 sqm or our smaller room at about 38 sqm. The open, modern design with clear lines makes the meeting area a great place for communication and exchange.

Our restaurant, which is located on the building's ground floor, will gladly provide catering, a buffet or menu for you. You can use the small kitchenette in the anteroom of the seminar rooms to keep drinks and snacks at hand. Contact us. We will gladly make you a non-committal offer.

LICHTBLICK
HOTEL

Meeting room 1
